Where can I get a proposal for a solar PV project?

Request for Proposals: Project No. 10-001, Solar PV's at Water Reclamation Center. Available at 25 Salt River Project Agricultural Improvement and Power District. n.d. Request for Proposals for Solar Photovoltaic Energy and Renewable Energy Credits.

Where can I find a proposal for a 1 to 2 MW solar facility?

Request for Proposals for Engineering, Procurement, and Construction of a 1 to 2 MW Solar Generation Facility Within City Limits. Available at %20Generation%20Facility%20(Final)%2012-13.pdf 32 JEA Jacksonville, Florida.

How can a pm solicit a Solar System proposal?

To solicit proposals for a solar system, a PM can issue a competitive RFP publicly and to multiple certified installers, or request quotes directly from a few trusted installers. For either of these methods, the PM can use MassCEC's project and cost data to find installers who have completed nearby commercial projects.

Who determines the final content of a solar PV solicitation?

Agency contract officers, attorneys, and engineers are responsible for determining the final content of any solicitation. Updated to the regulations, codes, and standards applicable to solar PV are changing frequently; it is the responsibility of agency managers to determine which guidelines (and which versions) apply. Figure 1.
