What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Are KDM's outdoor Telecom cabinets NEMA rated?

KDM offers any NEMA type from 1 to 13, including subtypes, such as 3R. Our NEMA enclosures are protected against weather, corrosion, and oil seepage. Outdoor telecom cabinets from KDM are often rated with IP65 and up, or 4/4X and up.

Why should you choose a telecom outdoor cabinet?

An outdoor telecom cabinet is a worry-free solution for safeguarding your equipment from moisture and harsh environmental conditions. KDM's cabinets are factory tested and feature double-wall construction and a tight seal. They come with accessories such as enclosure fans and power options.

What is KDM outdoor telecom enclosure made of?

KDM outdoor telecom enclosures are made of stainless steel (including 304 stainless steel and 316 stainless steel), galvanized steel, and carbon steel. This makes them sturdy and reliable. At KDM, we provide a large selection of outdoor telecom enclosure sizes, types, and shapes. We can help size the right enclosure for your site.
