What does the Department of energy do in Brunei?

The Department of Energy (Malay: Jabatan Tenaga), previously known as the Ministry of Energy and Ministry of Energy, Manpower and Industry, is a cabinet-level ministry in the Government of Brunei which oversees the country's energy industry. The department is led by the incumbent Deputy Minister of Energy, Mohammad Azmi bin Mohd Hanifah.

When did Brunei become a Ministry of energy & industry?

The department was still under the Prime Minister's Office until 2018 when it was upgraded to a ministry by the consent of His Majesty Sultan Hassanal Bolkiah, the Sultan of Brunei, on 18 April in that year, and subsequently adopted the name Ministry of Energy and Industry.
