Our products ensure reliability and performance for solar photovoltaic, battery energy storage, and EV charging systems. We hold certifications from renowned organizations such as UL, SAA, CB, CE, ...

Highjoule's modular cabinet design allows for retrofitting without major infrastructure changes. Site surveys and system audits help ensure smooth integration into existing power systems.

With LFP battery technology, advanced EMS and PCS, it enables real-time monitoring, smart schedule, and seamless integration with solar PV, EV charging, and backup power. Ideal for peak shaving, ...

We can provide users with full-scenario lithium battery systems, and provide customized lithium battery solutions to high-end users. Click the link below to download technical documents

With a modular PCS design and front-access outdoor cabinet, it enables reliable power supply, fast deployment, and easy expansion in both on-grid and off-grid scenarios.

LiFePO₄ 100kw 215kwh air-cooled energy storage cabinet offers high-capacity, safe, and efficient lithium battery storage with advanced thermal management for commercial and industrial applications.

215kwh Air-Cooled Energy Storage All In One Cabinet Battery System Is Ideal for Industrial and Commercial Applications. It Offers Reliable Energy Storage for Peak Shaving, Load Balancing, and ...

Industrial ESS Cabinets provide megawatt-scale energy storage for factories, data centers & utilities. Discover how these high-capacity battery systems reduce demand charges, enable renewables ...

MateSolar's Industrial ESS delivers a fully integrated solution that combines high-voltage battery cabinets, power conversion systems, and energy management software into a single robust unit.

Industrial solar cabinet system high power

LiFePO4 100kw 215kwh air-cooled energy storage cabinet offers high ...

The MG100K is a high-performance all-in-one energy storage system with 100kW output and 207kWh capacity, ideal for microgrids, industrial backup, and solar integration. Featuring LiFePO4 batteries, ...
