Take advantage of premium solar performance at a great value with the JA Solar 445W Solar Panel (Model JAM78S10-445/MR). This high-output, 156-cell monocrystalline module delivers excellent ...

The JA Solar JAM54D41-445/LB is a 445W bifacial double glass solar panel with a stylish all black design. The module utilises n-type solar cells, which enhances its performance and helps to achieve ...

With a 108 half-cell configuration, these panels offer a 22.3% efficiency, with an output of 445 Watts of solar-harvested power. With a black backsheet and frame, these JA Solar panels feature an ...

These panels are of excellent quality and look identical to expensive ones made in the USA. They have a 25-year performance guarantee in addition to the 20-year manufacturer's warranty.

The JA Solar 445W JAM54D41-445/LB FB is a high-performance solar panel designed for efficient energy generation. Its advanced photovoltaic technology ensures reliable power output and long ...

Designed with latest MBB N-type solar cells and a half-cell configuration, this panel delivers higher power output, improved low-light performance, and excellent temperature efficiency --ideal for ...

Their advanced cell technology ensures high efficiency, stable yields, and long lifespan - suitable for residential rooftops as well as large-scale solar plants. With best value pricing, fast availability, and ...

Unlock superior solar performance with the JA Solar JAM54D41-445/LB 445W bifacial solar module. Built with high-efficiency n-type TOPCon monocrystalline cells, this Deep Blue 4.0 Pro panel offers ...

This JA Solar 445W TOPCon Bifacial Solar Panel is suited for projects that demand reliable solar generation paired with cutting-edge efficiency, whether you are designing a grid-tied solar system, a ...
