Who are KS Energy batteries?

KS Energy Batteries Ltd, proudly part of the Hi Volt Group Operating from the Battery World store Registered in England and Wales | Company No. 14760980 © 2018-2025 KS Energy Batteries Ltd. All rights reserved. KS Energy and its logo are registered trademarks. We use cookies to ensure that we give you the best experience on our website.

Are KS Energy batteries safe?

At KS Energy we have innovated and incorporate some of the highest levels of features and specifications in the industry to maintain battery safety and performance, ensuring our batteries remain superior and are practically abuse proof. All our Compact and Super Series batteries incorporate ultra-low power Bluetooth monitoring.

What is a KS Energy lithium battery BMS?

Our batteries employ two reliable Li-ion cell Internal view of a KS Energy Lithium Battery In its most basic form, a BMS ensures the battery capacity can be maintained during use. In recent years, BMS's have evolved and now regarded as important factor of the battery.

What happens if a KS Energy battery is not used?

When the battery is not being used, the BMS will then enter a hibernation mode, drawing near zero current. KS Energy batteries have a very long life span and the user can expect upwards of 5000 cycles during normal use of an average of 70%-80% depth of discharge (figure 1.) which would be quite typical during normal leisure use.

KS Energy is a leading manufacturer of high-quality lithium battery solutions for the leisure industry. We proudly serve the needs of motorhome, marine, caravan, camping, and campervan ...

KS-Energy KS-SB210 12V 210AH lithium-ion battery Seat Base Compact Series with bluetooth high power BMS £1,099.00

Model KS-LT120B SUPER SERIES High Power 120Ah 12V lithium leisure battery with integral Low temperature charge protection and Bluetooth 120AH compact battery featuring superior construction ...

Ks energy lithium battery

KS Energy, part of the Hi Volt Group alongside Battery World, operates from the Battery World store in Birmingham. So why us? - Lithium iron phosphate battery manufacturers share identical chemistries. ...

Explore our lithium batteries and inverters for camping, boating, and backup power solutions. High efficiency and lightweight designs available.

About KS Energy UK We offer a range of high quality Lithium battery solutions for the leisure industry including Motorhomes, Marine, Caravan, Camping and campervans.

Li Gen Lithium Batteries (formally KS Energy) lithium battery with Bluetooth high power BMS Our Technology So why us? - Lithium iron phosphate battery manufacturers share identical chemistries. ...

LI-100B 12V 100AH SUPER SERIES lithium leisure battery with integral Low Temperature Protection and Bluetooth Monitoring Rated at 102AH compact premium construction lithium-iron deep cycle ...

KS Energy Lithium Batteries are renowned for their high energy density, extended lifespan, and advanced safety features. Designed for applications like renewable energy storage, ...

Model KS-LT100B SUPER SERIES 100Ah 12V lithium leisure battery with integral Low temperature charge protection and Bluetooth 102Ah Lithium-iron leisure battery. Featuring our smart integral 100A ...
