Our key focus includes the recycling and treatment of electronic waste, new energy batteries, photovoltaic panels, and other complex solid waste metal materials.

The stability of each function of edge banding machine is strong. The equipment debugging time is short and the operation is simple, the time of replacing the tape is short, and the refueling plate can be ...

The utility model has simple structure, can meet the use of photovoltaic panels with different sizes by adjusting the distance between the two rectangular boxes, and can automatically seal the...

Automatically performs G2G module four-side edge sealing with fast changeover and high precision. Servo-driven sealing modules apply and press tape using soft materials to effectively protect cells.

Automatically performs G2G module four-side edge sealing ...

The ECOTAPE A is a fully automatic inline edge taping machine designed specifically for solar panels. It automates the application of tape along the edges, effectively replacing the traditional silicone ...

This video showcases the Hezhi Fully Automatic Edge Banding Processing Center - a robotic cell that automatically completes CNC routing, edge banding, and precise trimming for irregular...

Horad New Energy is a reputable manufacturer and supplier based in China, offering a wide range of Automatic Edge Taping Machine products. With our advanced production facilities and stringent ...

Panels automatically fed into the edge banding machine by a robot! Using industrial robots, panels are automatically fed into the automatic edge banding machine. It is a versatile, teaching-less automatic ...

Built with a robust modular frame and automated robotic arms, it ensures efficient edge banding of

Photovoltaic panel edge banding feeding robot

double-glass solar panels. With a 1-year warranty, this machine combines durability, versatility, and ...

An automatic edge taping machine is used for automatic tape edge banding of dual-glass solar modules, adapting to different specifications of tapes. The edge bander can replace tapes quickly and easily ...
