How many refractory ceramic fiber board production bases in Zhuqing?

There are two production bases in Zibo and Binzhou City, Zhuqing has 4 production line of ceramic fiber board and 1 production line of ceramic fiber line, with 120 skilled technicians, engineers and office staffs. High-quality refractory ceramic fiber board development and production. OEM and ODM are both acceptable.

Who is Zhuqing refractory ceramic fiber board manufacturer?

Subsidiary: Shanghai Zhuqing New Materials Technology Co., Ltd. Zhuqing is committed in high-quality refractory ceramic fiber board development and production, for higher efficient and eco-friendly market target, with quick delivery and strict inspection before shipment, to support stable quality and service to the customers.

What are soluble fiber products?

In the iron and steel industry, our soluble fiber products, ceramic fiber products, monolithic modules, insulating firebricks, and microporous insulation products are used to help improve process efficiency by lowering energy consumption and operating costs and boosting consistent productivity.

CVSIC Ceramic Fiber Board is manufactured using high-purity ceramic fiber cotton and a small amount of binder through a vacuum forming process, offering superior thermal insulation performance, high ...

CeramSource is a specialized supplier of high-quality ceramic fiber board, which features low thermal conductivity, even density, and excellent resistance to thermal shock. This product is ideal for ...

Choose from our selection of ceramic fiber boards, including over 80 products in a wide range of styles and sizes. Same and Next Day Delivery.

The company has advanced production equipment, and employs industry experts to lead professional production technicians, focusing on R& D and production in ceramic fiber board.

Ideal for industries such as manufacturing and aerospace, our Ceramic Fiberboard enhances energy efficiency and helps reduce operational costs. Rely on Shanghai Creative Advanced Materials Co., ...

Photovoltaic special ceramic fiberboard manufacturer

Rosewool has established itself as a leader among Chinese manufacturers of ceramic fiber boards, combining technical excellence, global compliance, and customer-centric service to deliver ...

Shanghai Zhuqing New Materials Technology Co., Ltd.: Find professional ceramic fiber board, ceramic fiber, bio soluble fiber, rock wool, ceramic particle manufacturers and suppliers in China here!

This section provides an overview for ceramic fiber boards as well as their applications and principles. Also, please take a look at the list of 8 ceramic fiber board manufacturers and their company rankings.

Shanghai GongYe International supplies multiple types of refractories, ceramic fiber insulation materials, and graphite sheet and foils for various high temperature industries.

As one of the most professional ceramic fiber board manufacturers and suppliers in China, we're featured by quality products and good service. Please rest assured to buy ceramic fiber board from ...
