-----  
Where to buy solar inverter in Sri Lanka?

I usually recommend the companies to buy solar materials from Gunda power. Because all the materials are available. It is the best place to purchase solis inverter as the customer service is excellent and satisfactory. I think the most trusted solar equipment and accessories suppliers in Sri Lanka. They offer wide range of solar powers.

What is the fire protection system in the 200kwh battery?

The fire protection system in the 200kWh battery is designed for maximum safety and rapid response. The 200kwh battery bank includes combustible gas detectors, ensuring early detection of potential hazards and allowing proactive prevention.

What kind of battery does a 200kwh air conditioner use?

200kwh battery uses EVE brand LiFePO4 battery cells; you can rest assured of the battery quality. The air conditioning system is installed in the battery cabinet door, which is space-saving and maximizes the storage capacity. Battery voltage, size, and design can be customized according to your detailed energy requirements and installation space.
