What are agricultural containers?

Our agricultural containers help with the transporting and storage of many different food items. Flexcon containers keep agricultural products clean, safe, and secure from the farm to the grocery store. The containers are durable and ergonomic. Upon request, we can provide containers with FDA-approved materials.

What are FLEXcon containers?

Flexcon containers keep agricultural products clean, safe, and secure from the farm to the grocery store. The containers are durable and ergonomic. Upon request, we can provide containers with FDA-approved materials. We have everything from large bins to stackable produce containers to handheld swing bar totes for all of your agricultural needs.

What storage options are available for farm equipment?

Other options include double-door and high-security storage, which are ideal for storing high-value equipment. Our all-purpose farm containers can be used as secure storage spaces for farm equipment, tools, and expensive machinery.

What are duragreen®; collapsible bulk containers?

DuraGreen®; collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.
