This Tema port expansion project, which is being carried out by the consortium Eiffage Genie Civil Marine and Se Simone Ltd, will increase the quay length to 1,4 km with four deep berths, equipped ...

Feasibility studies and preliminary business cases have been undertaken in parallel to establish the potentials for the container- and multi-purpose terminals in the port of Takoradi.

Overseen by Meridian Port Services (MPS), this expansion will enlarge the terminal area by 27 hectares, add new STS cranes, and increase annual throughput capacity from 2.5m to 3.7m TEU.

MPS is the operator of the container terminal at Tema Port. We are also supervising construction of all port expansion facilities. The project commenced at the beginning of October 2016, with completion ...

Led by Meridian Port Services (MPS), a joint venture between AGL, APM Terminals, and the Ghana Ports Authority (GPHA), the USD 150 million project includes the commissioning of 3 STS ...

This additional investment in equipment proves further that the partners in the MPS Tema Port Expansion Project are committed to continuous improvement of services rendered to the Port ...

On 15 November 2023, the President of the Republic of Ghana, H.E. Nana Akufo Addo, together with Philippe Labonne, AGL Chairman, officially launched phase 2 of the Tema port expansion project ...

They signed a 1.5-billion-USD agreement for the first phase of the expansion project, which aimed to increase the facilities' capacity to handle the world's largest container ships, aligning ...

Ghana's President has officially inaugurated Phases I and II of the Tema Port Expansion Project at Meridian Port Services' Terminal 3, marking the full completion of one of the country's most ...
